Cards and Dodgers In a 'Do or Die' Pennant Struggle

By Ralph Roden (Associated Press Sports Writ(er)

The do or die stage for the St. Louis Cardinals and the Brooklyn Dodgers in the National league pennant race gets underway today with the Red Birds beginning a 13-game road trip at Philadelphia while the Dodgers entertain the Cincinnati Reds.

The American league's eastern clubs take their last journey through the west with the pacesetting Boston Red Sox needing only to defeat the Detroit Tigers today to clinch their first pennant since 1918. Leading the Dodgers by two

games, the Cards will play the Phils twice and then invade Flatbush for a three-game series. With the exception of three games at Boston, the Dodgers play the remainder of their 17 games at home. The Cards have only five games left to play at Sportsman's park in St. Louis.
